Thank you for purchasing the Thermo Pet Cot by K&H Pet Products. When used correctly, your Thermo Pet Cot should provide years of hassle free warmth for your pet. This product is intended for indoor use. Its unique heating system is designed to become warm, not hot. The heater can also be removed and stored in the off-season!

WARNING: This is an electrical product. Read all directions and precautions carefully before operating. Failure to properly follow all directions and instructions may lead to electrical shock or fire which could cause serious bodily injury.

ASSEMBLY INSTRUCTIONS

- 1** Fold out the cover so that it's flat.
- 2** Be sure all 4 frame tubes are threaded through the sleeves sewn along edges of the cover.
- 3** Insert all 4 frame tubes into the nylon supports.
- 4** Turn cot on its side and insert the K&H pet bed warmer into the enclosure making sure that the cord exits out the back corner of the cot. Close the zipper all the way to where the cord exits the enclosure.

TIP: Cot can be used in the summer by removing heater.

USE INSTRUCTIONS

Read all instructions carefully. This is an electrical product, pay special care to IMPORTANT SAFEGUARDS.

- 1** Make sure your pet's bed has a removable outer lining with a zipper or other means of closing and opening.
- 2** Carefully position your pet bed warmer between the outer and inner lining and close the opening so your pet cannot remove the heating pad. When in use, check the pad to ensure proper positioning.
- 3** Turn the bed so the cord is exiting the back of the bed, away from the normal path traveled by your pet.
- 4** When cleaning the bedding, unplug and remove the pet bed warmer so you do not subject it to being immersed in liquids or cleaners.

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed including the following:

- Read all instructions.
- To protect against electrical hazards, DO NOT immerse cord, plug or appliance in water or other liquid.
- Close supervision is necessary when used by or near children.
- ALWAYS unplug from outlet when not in use.
- DO NOT operate any electrical appliance with a damaged cord or plug, or if the appliance malfunctions or has been damaged in any manner. RETURN all malfunctioning appliances to the factory for examination.
- DO NOT use appliance for other than its intended use.
- DO NOT PUNCTURE HEATER FOR ANY REASON.
- For use with 110-120 volt AC ONLY.
- CORD MUST EXIT towards the back of bed, away from normal travel of pet.
- A liner must separate the pet bed warmer from the stuffing material.
- When using this product, make sure your pet has the option of sleeping on or OFF the bed.
- SAVE THESE INSTRUCTIONS FOR YOUR USE.

Care Instructions:

Wipe clean with a damp cloth.
Machine wash gentle, line dry.

K&H Limited One Year Warranty

Our warranty is as follows: K&H Pet Products warrants to the original consumer, that this product will be free of defects and workmanship for a period of one year from the date of purchase. The manufacturer's liability hereunder is limited to replacement of the product. This warranty is void if the product has been damaged by accident, unreasonable use, neglect, tampering, or other causes not arising from defects in material and workmanship.

To exercise your warranty: If, during the warranty period, your product malfunctions, return it to the place of purchase with your **original purchase receipt**. If this cannot be done, return the product, postage prepaid, to K&H Pet Products, with a **dated proof of purchase or original date receipt**. A return authorization number can be obtained by calling (719) 591-6950 and must accompany all returns to manufacturer. Please include a note explaining the problem when returning the product.
