**BEFORE ASSEMBLY** check that you  
have received **all** of the parts needed:

1x BED BASE  
WITH HEATING PAD

1x CLAMP STAND

## ASSEMBLY INSTRUCTIONS:

1

Undo the **CLAMP SCREW** so that it opens wider than the desk is thick.

Fit the clamp snug on the **DESK EDGE** and tighten the  
**CLAMP SCREW** so that it is firmly secured.

2

Slide the **CLAMP STAND SLOT** on the bottom of the **BED BASE** over  
the support frame at the top of the **CLAMP STAND**.

The **BED BASE** can be attached in any direction, but **ALWAYS** place  
the bed so the heating cord exits **AWAY** from normal path travelled by  
your pet.

3

To adjust the height, slightly unscrew the two  
**ADJUSTMENT KNOBS** on the base of the **CLAMP STAND**.  
Do not unscrew too far or the knobs will fall off.

Raise or lower the **CLAMP STAND** to your desired height,  
then tighten the two **ADJUSTMENT KNOBS** so that the  
stand is firmly secured.
